**STATEMENT OF SUBSTANCE OF INTERVIEW**

S I R :

In response to the Interview Summary mailed August 27 2008, Applicant

respectfully wishes to clarify that the Interview Summary should read as follows:

*RE: Claim limitation "input signals represent data associated with a price a buyer is willing to pay..." The applicant stated that this limitation is to be interpreted to mean enough relevant data to collectively define and effect the input price. In this regard the data comprises data associated with the property as recited in the claim and data associated with a price is to mean data that would characterize and affect the price consistent with the specification (e.g., see SPECIMEN 1 p. 75 input Parameters)*

**APPLICANT CLAIMS SMALL ENTITY STATUS.** The Commissioner is hereby authorized to charge any fees associated with the above-identified patent application or credit any overcharges to Deposit Account No. 50-0235.

Please direct all correspondence to the undersigned at the address given below.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'PK Trzyna', with a long horizontal flourish extending to the right.

Date: September 9, 2008
